FAVOURITE DRINKS

12noon till late

These are a few of our favourite drinks.

Drinks we find interesting, drinks we find curious or a bit different, drinks we really like, and most importantly, drinks we think you might like. Packed full of flavour, fun and sometimes frivolity, we present this to you with love, from those who have eschewed the Monday to Friday 9 to 5 life and chosen instead to wait tables, scrub pans and try their hardest to deliver an experience you will always remember.

So, here's to them, and here's to you. To health, wealth, and happiness.

Drinks are on the house!

LANGDALE FOUNDER'S GOLD

The 1980's. A time of affordable housing, designer fashion, and fabulous hairdos. Rubik's Cube's, MTV, Live Aid, and Lady Di. New hope, new pound coins, and New Romantics. Money for nothing, kicks for free.

Whilst London was Calling, Langdale was forming. Luxury in the Lake District. A new home from home nestled below the magnificent bosom of the Langdale Pikes. We've come together with the team at Bowness Bay to brew a beer that tries to capture the essence of Langdale and all of those memories.

A golden refresher to savour, and reminisce with. 40 years, my how time flies.

Wines by the Glass

THE SPECIAL STUFF

SPECIAL STUFF 125ML

If we could wish for a superpower, it would be the ability to pour a small glass of wine out of a quality bottle without ever opening it. If we could do that, we could keep the rest of the bottle for as long as we want without any loss of quality and freshness. Oh wait, we already have the ability to do that? Okay, fly. We want to be able to fly.
