Wine - The Special Stuff

If we could wish for a superpower, it would be the ability to pour a small glass of wine out of a quality bottle without ever opening it. If we could do that, we could keep the rest of the bottle for as long as we want without any loss of quality and freshness. Oh wait, we already have the ability to do that? Okay, fly. We want to be able to fly.

White

	125ml glass	
Chablis Domaine Ste Claire, JM Brocard - France. Organic	£15

Condrieu Les Mandouls, Ferraton - France	£19	
<i>Unmistakeably Condrieu, with flavours of ripe peach, apricot and honeysuckle. The acidity is well balanced and the palate has the silkiness so typical of the appellation.</i>		

Red

<i>Full bodied that is bright and intense on the nose with aromas of preserved cherries and dried plums. Tied together with hints of fruits of the forest and cinnamon creates a long, well balanced, velvety finish highlighting notes of cocoa and coffee.</i>		
California Ridge Lytton Springs - USA	£19	
<i>A complex nose of bright red fruit, pepper and toasty oak is followed by a full-bodied palate combining rich raspberry and plum fruit with bold but well integrated tannins and a lingering finish.</i>
